

# JDG Associates, Ltd., Executive Search Consultants

## Overview and Core Capabilities

JDG Associates, Ltd., a retained executive search firm and certified Small Business under the U.S. Small Business Administration contracting guidelines, has partnered with over 50 federal agencies to deliver top-tier talent nationwide for the federal government. On the GSA schedule since 2002, JDG has successfully and efficiently helped agencies fill a wide range of positions across multiple disciplines with highly qualified candidates.

JDG identifies skilled, mission-focused candidates, offering personalized guidance through the USAJOBS application process. By clearly explaining each step of the process, JDG boosts candidate engagement delivering a qualified candidate pool. Our proactive, hands-on approach consistently ensures pre-vetted, motivated applicants genuinely invested in the opportunity, yielding much stronger results than traditional job postings.

## JDG's Key Differentiators

- **Proven Track Record:** JDG has successfully completed over 250 nationwide searches for Streamlined Critical Pay (SCP), Senior Executive Service (SES), Senior Level (SL), Senior Technical (ST), and GS-15 roles across a wide range of industries and disciplines.
- **Targeted Outreach:** Our team conducts original research to identify and engage highly qualified passive candidates.
- **USAJOBS Navigation:** Our team brings deep expertise in guiding candidates through the USAJOBS application process and advising on how to draft strong Executive Core Qualifications and Technical Qualifications, helping them successfully navigate agency and OPM review, resulting in a streamlined onboarding process.
- **Exceptional Past Performance:** With an outstanding track record, JDG has earned a reputation for transparency, clear communication, responsiveness, and consistently exceeding client expectations. We are pleased to provide references that can attest to the quality of our work.
